

Two-node relation

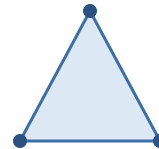

No closure
No area
No persistence

Minimal triangular closure

First emergence of area
Self-referential structure

closure condition
 $e_1 + e_2 + e_3 \approx 0$

Non-degenerate

3 d.o.f.
associated with SU(3)

Degenerate

2 d.o.f.
associated with SU(2)

Extreme

1 d.o.f.
minimal structure
